Group Discussion: Next Steps in Developing the Cultural Offer

- Improve dialogue between the different departments in LAs, identify key people who can help and take responsibilities.
- Talk to each other, develop partnerships and collaborations, share experiences and case studies; including cross country pathfinders' experiences.
- Promote the Cultural Offer to schools through network meetings etc. – Raise awareness
- Bed cultural offer and culture into CYP plan 2011 - Extended Schools.
- Engage with and involve HEIs.
- Build Cultural Offer into training programmes for teachers.
- Talk to Ofsted to see how they define and assess creativity.
- SSAT has networks of schools which organisations can tap into to promote their cultural offer.
- Think about how we can work together so that young people have access. Don't underestimate the role of YP's as educators.
- Think how Cultural Offer relates to how schools are implementing new KS2/3 arts orders.
- Think how Artsmark can contribute to the cultural offer.
